

Kit for making "puzlasses"

1. Print out this page.
2. Detach the glasses along the solid lines.
3. Clip out the gray area. (scissors or paper cutter!)
4. Pass rubber bands through the small holes.

Finished? Now you are ready for the bugs!

Access the page below after you have put on the glasses!

http://www.nikoli.com/en/event/20160401_april_page.html

Now you are able to find and battle the bugs.

Please, please beat the bugs! Show them who is in charge!
